

**DDL Test Record 11/13/2007**

<b>Test Details</b>	
Date of test	
Tester Name	
Version of DDL	?
Build date	Nov 13 2007
Browser Type (Firefox, IE) and version	IE
OS type and version (Windows XP, Vista)	Windows XP

<b>Test</b>	<b>P/F/NR</b>	<b>Details (include Mantis bug number)</b>
Uninstall	F	DDL does NOT appear on list of programs to uninstall!
Install	P	
Configure DDL	F	Cannot access About DDL page: 404 error
Launch DDL	P	
Test 1: setting active worklist	P	(as far as I can tell without About page)
Test 2: uploading data to MedCommons via DDL		DDL status page seems broken...
Test 3: Downloading data from MedCommons		
Test 4: round trip
